My Favorite Things (Horse Country)

To the tune of "My Favorite Things" from *The Sound of Music*.
With apologies to Rodgers & Hammerstein.

Martingales, breastplates, and bridles to die for,
Girths in all sizes, no saddlery has more,
All the tack needed for foxhunting flings,
These are my favorite Horse Country things.

Hunt coats in scarlet, what sight could be better,
Or stylish black ones cut right to the letter,
Breeches so perfect my heart fairly sings,
These are my favorite Horse Country things.

Stock pins and stock ties and gloves for my fingers,
Cozy warm Barbours when winter's chill lingers,
Dry wicking hunt shirts for temperature swings,
These are my favorite Horse Country things.

Field boots and dress boots in finest grade leather,
Also in rubber for nasty wet weather,
Helmets to cushion occasional dings,
These are my favorite Horse Country things.

Saddle pads fitted for hunt field perfection,
Dazzlingly white, all in a helpful selection,
Blankets to handle what winter may bring,
These are my favorite Horse Country things.

When the horn blows,
When the hounds cry,
When the fox I see,
It's then I'm most thankful for all these great things,
That Horse Country has for meeeeeee!
