See You At Second Horses and
*William Cabell Rives:
A Country to Serve*

Author Talk begins at **7:00 pm.**
Signing to follow.

In *See You At Second Horses* Barclay shares his adventures hunting in England and Ireland. Always entertaining and at many times hair-raising, these well-told tales take the reader on wild rides across open country and over anything that got between hunters and hounds... and made sure they eventually got back to the pub. \$29.95

William Cable Rives: A Country to Serve recounts the eventful life of Barclay's great-great-great-grandfather [1793-1868], a Virginia statesman who sought to avoid the conflict that threatened to tear the nation apart. A prodigy of Jefferson and Madison, Rives served as a legislator and diplomat during a career that spanned presidencies from Jackson to Andrew Johnson. Meticulously researched and brilliantly written, an insightful, at times moving, and always honest portrayal of a man who lived through days both glorious and disastrous. \$19.95
